

# Healthy Babies, Happy Moms

## **Healthy Babies, Happy Moms Inc. is a new breast pump provider for Wyoming Medicaid**

**October 18, 2021** -- Wyoming Medicaid has a new Durable Medical Equipment Provider that can provide breast pumps to members who are at least 28 weeks gestation, or currently breastfeeding. Healthy Babies, Happy Moms Inc. (HBHM) will provide the [Motif Twist](#), an affordable and portable double electric breast pump with a 2-year warranty that can be battery operated if needed.

HBHM has been actively engaged in supporting multiple government agencies and CEO Kathleen Moren stated, "We are excited to have the opportunity to serve the Medicaid mothers of Wyoming with a quality pump and the same efficiency and excellent customer service we have provided for Montana Medicaid for the last 3 years."

Members can order their pump online at:

<https://www.healthybabieshappymoms.com/wyoming-medicaid>

Providers will send prescriptions to Healthy Babies, Happy Moms Inc. via fax: (844) 276-5457.

A prescription form with all required information is available at the above address or directly at

<https://healthybabieshappymoms.com/s/Wyoming-Breastpump-Prescription.pdf>

All pumps will ship out of the HBHM fulfillment center located outside of Missoula, Montana. Pumps will ship within five business days from the receipt of a fully completed order, which includes a prescription from an authorized provider and the patient's online order. An online ordering system and prescription for Spanish speaking mothers will be available December 1, 2021.

For more information regarding Healthy Babies, Happy Moms Inc., and breast pumps available through Medicaid please contact:
